

# Show Me

## Verse 1

**G#** **C#** **G#** **A#m**  
 You could plant me like a tree beside a river  
**G#** **C#** **Fm** **G#** **C#**  
 You could tangle me in soil and let my roots run wild  
**G#** **C#** **G#** **A#m**  
 And I would blossom like a flower in the desert  
**C#** **G#** **A#m**  
 But for now just let me cry

## Verse 2

**G#** **C#** **G#** **A#m**  
 You could raise me like a banner in a battle  
**G#** **C#** **Fm** **G#** **C#**  
 Put victory like a fire behind my shining eyes  
**G#** **C#** **G#** **A#m**  
 And I would drift like falling snow over the embers  
**C#** **G#** **A#m**  
 But for now just let me lie

## Chorus

**C#** **G#** **D#**  
 Bind up these broken bones  
**Fm** **C#** **D#**  
 Mercy bend and breathe me back to life  
**C#** **G#** **D#**  
 But not before You show me how to die

**G#** **C#** **G#** **A#m**  
 Set me like a star before the morning  
**G#** **C#** **Fm** **G#** **C#**  
 Like a song that steals the darkness from a world asleep  
**G#** **C#** **G#** **A#m**  
 And I'll illuminate the path You've laid before me  
**C#** **G#** **A#m**  
 But for now just let me be

## Chorus 2

**C#** **G#** **D#**  
 Bind up these broken bones  
**Fm** **C#** **D#**  
 Mercy bend and breathe me back to life  
**C#** **G#** **D#**  
 But not before You show me how to die  
**C#** **G#** **D#**  
 Oh, not before You show me how to die

## Verse 3

**G#** **C#** **G#**  
 So let me go like a leaf upon the  
**A#m**  
 water  
**G#** **C#**  
 Let me brave the wild currents  
**Fmaj7** **G#** **C#**  
 flowing to the sea  
**G#** **C#** **G#**  
 And I will disappear into a deeper  
**A#m**  
 beauty  
**G#** **C#** **G#** **A#m**  
 But for now just stay with me  
**G#** **C#** **D#** **G#**  
 God, for now just stay with me
