In Jesus Name

[Verse 1]
```
     D#m                           B
I speak the name of Jesus over you
           F#
In your hurting, in your sorrow
           C#
I will ask my God to move
    D#m                                   B
I speak the name cause it's all that I can do
          F#
In desperation, I'll seek heaven
          C#
And pray this for you
```

[Chorus 1]
```
                   D#m
I pray for your healing
                           B
That circumstances would change
                     F#
I pray that the fear inside would flee
          C#
In Jesus name
                 D#m                       B
I pray that a breakthrough would happen today
                 F#
I pray miracles over your life in
       C#
Jesus name
             D#m    F#/A# B
In Jesus name
```

[Verse 2]
```
    D#m                         B
I speak the name of all authority
             F#
Declaring blessings, every promise
         C#
He is faithful to keep
    D#m                            B
I speak the name no grave could ever hold
       F#
He is greater, He is stronger
            C#
He's the God of possible
```

[Bridge]
```
       G#m
Come believe it
            B
Come receive it
          F#                     C#
Oh, the power of His Spirit is now forever yours
        G#m
Come believe it
            B
Come receive it
          F#                       C#
In the mighty name of Jesus, all things are possible
```

[Chorus 3]
```
                   D#m
I pray for your healing
                           B
That circumstances will change
                     F#
I pray that the fear inside would flee
          C#
In Jesus name
                 D#m                       B
I pray that a breakthrough would happen today
                 F#
I pray miracles over your life in
       C#
Jesus name

                 D#m
I pray for revival
                     B
For restoration of faith
                       F#
I pray that the dead will come alive
          C#
In Jesus name
             D#m
In Jesus name

B    F#    C#
```
